DAILY TRIBUNE.

No. 51 CLARK STREET.

CITY OF CHICAGO.

Tuesday Morning.....Feb. 26, 1856.

Cook for Sheriff Again.

The concentrative Mr. Buchanan, the vegetative—nothing, locomotive, and protoplasmic—nothing whatever, has been induced to allow his name to be used for re-election. Mr. Clark Bouvaux—the name is pronounced Boo-vay—has declined, and the Democracy are left without a leader. Mr. Buchanan is the most odious person in the county, and his defeat is inevitable.

"We Are All Democrats."

A Democratic Journal says:—"Party politics will not enter into the election of Mayor this spring. We are all Democrats, and we have no party to fight."

Democrats, what do you think of this? Are you willing to be ignored in this manner? Are you willing to be counted out? Are you willing to be cheated out of your votes? Are you willing to be disfranchised? Are you willing to be trampled upon? Are you willing to be treated as slaves? Are you willing to be ruled by a minority? Are you willing to be governed by a few? Are you willing to be deprived of your rights? Are you willing to be robbed? Are you willing to be plundered? Are you willing to be swindled? Are you willing to be cheated? Are you willing to be humbugged? Are you willing to be deceived? Are you willing to be duped? Are you willing to be fooled? Are you willing to be made fools of? Are you willing to be made asses of? Are you willing to be made tools of? Are you willing to be made dupes of? Are you willing to be made slaves of? Are you willing to be made beasts of burden? Are you willing to be made hewers of wood and drawers of water? Are you willing to be made hod carriers? Are you willing to be made white negroes? Are you willing to be made anything you are not? Are you willing to be made anything you ought not to be? Are you willing to be made anything you should not be? Are you willing to be made anything you cannot be? Are you willing to be made anything you will not be? Are you willing to be made anything you dare not be? Are you willing to be made anything you must not be? Are you willing to be made anything you shall not be? Are you willing to be made anything you will not be? Are you willing to be made anything you can
